This includes that Deloitte Belastingconsulenten nor any partner that provided the Services for which Deloitte Belastingconsulenten was retained, (“The Engagement Partner”) (a) holds any interest adverse to the Debtors, and (b) has no relationship to the Debtors, their significant creditors, certain other significant parties-in-interest, or to attorneys that are known to be assisting the Debtor in the bankruptcy case (all such parties being the parties named Schedule 1, whose specific names were provided to Deloitte Belastingconsulenten by Deloitte FAS) adverse to the Debtors, except as stated herein or in any attachment hereto.

For the present Declaration disinterestedness (hereinafter “Disinterestedness” or being “Disinterested”) will be defined as understood by Deloitte Belastingconsulenten as provided above.

3. The statements set forth in this Declaration (i) are based upon our personal knowledge, information and belief and client matter records kept in the ordinary course of business that were reviewed by us or other personnel of Deloitte Belastingconsulenten and (ii) result from the following review performed:

- a. Deloitte Belastingconsulenten undertook a reasonable search to determine whether it is or has been employed by, or has any relationship with, certain of the Debtors’ significant creditors and “Potential Parties-in-Interest” as provided to it by Deloitte FAS, see Schedule 1.
- b. Deloitte Belastingconsulenten reasonably researched its databases of client relationships and connections and performed reasonable due diligence to determine whether it had any relationship with the Debtors or the significant “Potential Parties-in-Interest”. This included database researches across the following:
  - i. Deloitte Belastingconsulenten’s Client and Engagement Database for current opportunities and engagements
  - ii. Deloitte Belastingconsulenten’s Business Relationships Database for third party relationships and
  - iii. Deloitte Belastingconsulenten’s Conflict Check Database for conflict of interest checks
- c. For the identified results, Deloitte Belastingconsulenten performed further reasonable detailed review on its relationship to identify whether it has an interest materially adverse to the interest of the estate or of any class of creditors or equity security holders of Westinghouse Electric Company LLC, as described above.

In performing such research, the following criteria were applied:

- d. The research was related to Deloitte Belastingconsulenten affiliates located in Belgium;
- e. For the identified results, where necessary, the relevant engagement partners were interviewed to check whether the services may have been connected with the bankruptcy;
- f. The research included the last 2 years' records;
- g. In performing the research, Deloitte Belastingconsulenten considered third party relationships with the exception of vendor relationships; and
- h. With respect to natural persons, the research was performed on Engagement Partners operating for Deloitte Belastingconsulenten and/or its affiliates.

**Disinterestedness**

4. Subject to the foregoing, except as set forth herein and in the attachments hereto, to the best of our personal information, knowledge, and belief based on reasonable inquiry as specified above under 3, Deloitte Belastingconsulenten was/is Disinterested with respect to the Services rendered.

5. From time to time, Deloitte Belastingconsulenten and/or its affiliates have provided or may currently provide services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties potentially adverse to the Debtors in matters unrelated to the Services or the bankruptcy of Westinghouse Electric Company LLC or any other Debtors.

6. Deloitte Belastingconsulenten and its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other parties-in-interest. Accordingly, Deloitte Belastingconsulenten and/or its affiliates have had, currently have and/or may have in the future banking or other relationships with such parties, or provided, may currently provide, and/or may provide in the future professional services to certain of these parties in matters unrelated to the Services or the bankruptcy of Westinghouse Electric Company LLC. Additionally, certain significant Potential Parties-in-Interest have or may have provided goods or services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte Belastingconsulenten and/or its affiliates in matters unrelated to the Services or the bankruptcy of Westinghouse Electric Company LLC.

7. Despite the efforts described above to identify and disclose Deloitte Belastingconsulenten's connections with the significant Potential Parties-in-Interest, because Deloitte Belastingconsulenten is a nationwide firm with many employees, Deloitte Belastingconsulenten is unable to state with certainty that every client relationship or other connection has been considered. In this regard, if Deloitte Belastingconsulenten discovers additional material

information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

8. To the best of our knowledge, based on the internal search discussed above, Deloitte Belastingconsulenten has discovered the following kind of relationships with certain Debtors or Potential Parties-in-Interest:

- (i) Deloitte Belastingconsulenten and/or its affiliates provide services to certain of the Potential Parties-in-Interest and/or their affiliates listed on Schedule 1.
